

P&C NEWSLETTER ENTRIES 9 NOVEMBER 2016

Wow! The end of the school year is rapidly approaching. We hope students are focussing and reviewing their year's work. We wish all students luck in their end of year assessments.

CANTEEN

The ladies in the Canteen hope that you enjoyed the fun foods that were available on Halloween. They hope to be able to have other surprises available to Ingleburn Public School students at other times, so keep an eye out on skoolbag for notice of specials.

The Canteen is currently undergoing a refresh. There have already been some changes, like our newly painted shutters, and there have been changes inside the canteen too. Some menu changes will occur from the start of 2017 and parents, carers and students will be informed when the new menu is available.

CANTEEN REMINDERS

- lunch orders must be in by 9.15am
- lollies are not available before school commences
- lining up politely behind the white line gives those being served at the window some privacy and space, and helps the ladies serving to hear orders and requests
- please remember that the ladies working in the Canteen are volunteers, giving up their time to help out.
