

The Canteen at Ingleburn Public School is open 8.30am till 1.40pm, 5 days a week. We are a healthy canteen endeavouring to provide tasty, nutritious snacks and lunches for our students and this cannot be done without your help. Volunteering in the canteen is a great way to meet other parents and see your child in their school environment. It is a social day, and yes we do welcome mum, dad and carer volunteers. So mums if you can't make it, feel free to volunteer someone else in the family!

Volunteers are required on a daily basis to assist our Canteen Supervisors with the preparation of lunches as well as serving through recess and lunch. The usual work period is from 8.30am-2.00pm. For those parents who are only available in the morning or prefer not to serve, assistance is required each day from 9.00am-12.00pm to stock products along with preparations for lunch orders.

Please do not let language barriers deter you or make you feel uncomfortable, IPS is a multicultural school community which thrives on these differences. We encourage everyone who wishes to be part of our school community to do so and have some fun along the way!
