Term 3 Week 10 2015

Deputy's Message

What a busy, exciting term it has been! So many wonderful opportunities for children to learn and develop across a wide variety of areas. Thank you parents, carers and community members for your ongoing support of our great school.

Fun Day

A very special thank you to Miss Issa, the Stage 3 teachers, students and the parents and carers of students in Stage 3 who have worked very hard over recent weeks preparing for our annual Fun Day to raise money for Year 6. Yesterday's Fun Day was a huge success and enjoyed by the entire school community. I have it on good word that the day raised in excess of \$5,000. Thank you to the parents and grandparents who assisted the children with their stalls and to the many members of our community who came along to join in the fun. Be sure to look for a news article on the website with photos.

Staffing

Mrs Lisa York has indicated that she won't be returning to Ingleburn Public School following her family's successful relocation to Newcastle. Mrs York is on leave this year but prior to her leave she was an Assistant Principal at our school for 10 years. We wish her all the very best and thank her for her contribution to our school.

Thank you to Miss Gerges who has been teaching 2S whilst Mrs Saqqa has been on leave. Mrs Saqqa is returning in Term 4 and will take the class for the remainder of the year.

Front Page News

The public recognition of our school has continued this week with our school being featured on the front page of this week's Macarthur Advertiser following last Friday's Paul Nunnari Schools Wheelchair Push. Our school raised \$350 to donate to the 24 Hour Fight Against Cancer Macarthur through the hero themed mufti day. It was lovely to see the children come in some wonderful costumes including doctors, nurses, firefighters and imaginary super heroes. Thank you to the parents and carers who came along to cheer Paul on with us.

Term 4 Dates

I would like to draw your attention to the Term 4 dates featured in this newsletter. With many more exciting events planned for next term, we understand that often advanced notice is necessary in order for parents and carers to attend school events. We hope that this will help you plan ahead. These dates will also be added to the website calendar and Skoolbag very soon.

Wishing everyone a well deserved, relaxing and safe holiday break and looking forward to an exciting Term 4.

Mrs Galwav. Relievina Deputv Principal

Regional Spelling Bee

On Friday the 11th of September, the senior finalists Aryan and Sudhikshaa and the junior finalists Adeeba and Leanne travelled to Miller Public School to compete in the Regional Spelling Bee. The juniors, Adeeba and Leanne were a tiny bit nervous but also confident. "It was kind of scary walking up to the microphone", Adeeba said. Leanne proved to be a highly skilled competitor and came in third place. That is an amazing achievement! "It was very challenging but I was confident," Leanne stated. For the seniors Aryan was confident while on the other hand, Sudhikshaa was really nervous. Sudhikshaa spelt her way up to round six but spelt her next word incorrectly. Aryan also spelt his way up until round six but slipped out on a really tough word. All the contestants did their school, their families and themselves proud.

Stage 2 Camp

On the second day of Spring
Stage Two all arrived
Eager to depart
Parents are filled with pride.

We arrive at the destination
Go to the dining hall
Now find the cabin to unpack
Ready to explore it all.

We hear the bell ringing
We line up outside the hall
We get in our different groups
Ready to go to the rock wall.

We're doing the H2O skirmish now
We're ready to get wet
Everyone is throwing sponges
The games now over yet!

Now ready to go to on the BMX bikes
It's on a dirt track
There is lots of hills and sandy corners
When finished we put the bike back.

We're going to the dining hall
For some dinner and desert
It was delicious and filling
But some roasted marshmallows won't hurt.

We headed to our cabins
And got told to go to sleep
Trying to be very quiet
But it's hard not to make a peep.

We woke up in the morning
To the sun glowing bright
Had to get out of our PJs
We had such an awesome night.

We had headed outside
Had breakfast and got into our groups
Began to shoot some arrows
Some of them even did loops!

In the distance we saw
A massive flying fox
Some of us got a little scared
At the end we said 'it ROCKS!'

After we ate some lovely wraps
We packed up all our stuff
And jumped on the bus to go back to school
The journey back was a little rough.

Hopped off the bus to see our family
Smiling down at us
Said bye to our friends and teachers
This time we went home without a bus.

Public Speaking Finals

As soon as our representatives entered the hall, the tension was rising. There were five students for each stage, three from Smithfield, one from Ingleburn and one from Lansvale.

The Public Speaking Competition started off in Smithfield Public School. Sam from KS bravely spoke his speech 'My Pet' despite feeling nervous. Although we do not know Sam's place, he did a wonderful job. 'After all the speech people spoke, we all got cookies and different cupcakes'. Sharon from Stage 1 shared her prepared speech 'Things I Like about School', then her impromptu 'The Best Sport is Football'. Sharon came third, a delightful achievement.

Next, Jaifa from Stage 2 came along and projected her speech 'Protecting the Environment' along with her impromptu 'My biggest concerns for the Future', giving her second place in Stage 2. 'It felt exhilarating at the end of it to be over and it has to be one of my biggest highlights of my school years to date.' Finally came Stage 3. Marcel's prepared speech was 'Sustainability' and his impromptu was 'The World is Smaller'. Marcel got third place for Stage 3.

If you see Sam, Sharon, Jaifa and Marcel in the playground, be sure to congratulate them on a fantastic job.

Artist of the Week

'Ant' by Vibert

This artwork was created by Vibert in 2S. The class was given a challenge to create an abstract insect artwork. The artwork is very colourful and vibrant.

A fun fact about ants is that they can carry up to 60x their own weight.

The Holidays

Sleeping 'til noon
Relaxed and rested
For the first time in ten weeks
I hear the birds in the trees where they are nested.

The warm weather enticing me to play
The spring holidays have begun
Colourful flowers now in bloom
Playing with iPads, balls and toys, all is fun.

I go to the lovely sandy beach
Feeling hot in the great Australian sun
Clean the big old house
My favourite treat, ice cream I get to eat a lot

But then school starts again, October the 6th
At least I see my friends
And learn a lot too
Reflecting on the fun I had, when the holidays end.

Milo Cricket Cup

Last Monday a team of 10 Junior Boys, 10 Senior Boys, 8 Junior Girls and 8 Senior Girls went to the ultimate challenge for cricket... THE MILO CRICKET CUP. We went on the bus to Raby Sports Complex. We got there, waited and waited a little more then the games began.

"It was AMAZEBALLS" The Junior Boys won both of their games. The first by 6 runs then 54 runs.

The Senior Boys won their first three games. They won each game with impressive margins of around 50-80 runs. They made it through to the grand final against Leumeah PS but unfortunately lost.

"It was fun and really enjoyable and the senior girls were really cooperative". The Senior Girls lost their first game by 14 runs. Then won the rest: first by 17 runs then by 72 runs.

A Look Inside 2H

2H are a lovely class and have an extremely nice teacher – Miss Hrabica. 2H have been learning about change over time and have also made artworks to represent changes in each other.

2H have been making movies in the Maker Room. They have been learning how to use the Lego Movie Maker app by recreating picture books and made up their own short stories using felts. This week their challenge was to create a storyboard with their partner, make their own props and tell their own narrative using Lego. Here are some pictures of their props under construction.

JC's Adventure

Today at 9.30am JC started his adventure with an apple. He thought it was real but it was actually not, so JC made a big hole in it with his head. After that sad discovery JC got up to some mischief and decided to sit on Mrs Galway's shoulder while she worked. While up there he spotted Winnie the Pooh on a tissue box. He loves Pooh so he went and played with it.

JC practically made everyone's ears ring whilst playing with the emergency power outage evacuation bell. What's a JC adventure without a look in the recycling bin? JC then decided to play hide and seek, but got stuck inside the window. At 9.42am JC headed back to Journalism Club to reflect on the days fun.

Cyberbullying: the new Children's eSafety Commissioner

The Office of the Children's eSafety Commissioner (the Office) was established on 1 July 2015 to handle complaints about cyberbullying material targeted at Australian children.

The Office can investigate complaints about material considered likely to have a seriously threatening, intimidating, harassing or humiliating effect on the child. Where possible, the material should be reported to the social media service first, before it is complained about to the Office. To consider a complaint the Office will need evidence of the cyberbullying material.

Parents, along with schools and the government have a role in ensuring children are protected online. The Office will work with social media services, parents and schools to ensure serious cyberbullying material is removed.

What to do if your child is being cyberbullied

If your child is being cyberbullied advise them to:

- avoid retaliating or responding
- collect the evidence—keep mobile phone messages and print emails or social networking conversations
- block the bully and change their privacy settings
- report the abuse to the social media service

If your child continues to be cyberbullied and you believe it is having a seriously threatening, intimidating, harassing or humiliating effect, we encourage you to assist your child in [making a complaint](#) on the Commissioner's website.

More information on the [role of the Office](#), how to [deal with cyberbullying](#) and how to [lodge a complaint](#) is available on the website.

The [Kids Helpline](#) provides a private and confidential, telephone and online counselling service for young people. Encourage your child to speak to them if they are in need of counselling support. The Kids Helpline also manages [Parentline](#), a confidential telephone counselling service providing counselling and support for parents and care-givers.

If you believe your child is in **immediate danger**, call 000.

WITH a heroic dedication to the cause, Paralympian Paul Nunnari — or The Other Superman, as he's more widely known — took hours out of his day last Friday to visit Macarthur schools and raise awareness of the 24 Hour Fight Against Cancer Macarthur.

Despite suffering a high temperature the night before, Mr Nunnari visited eight Campbelltown schools and helped the cancer charity raise more than \$3000.

Chairman Fred Borg said it was "a great event, everyone was so happy and Paul Nunnari was well-received at every school".

The event, known as the annual

Bob Jane T-Marts Paul Nunnari Schools Wheelchair Push, is a precursor to the 24 Hour Fight's marquee walkathon, this year held on the weekend of October 17 and 18 at the Campbelltown Athletics Stadium.

Details: 24hrfight.org.au.

Campbelltown Mail will this weekend lead a helping hand to local charity the 24 Hour Fight Against Cancer Macarthur with the 24 Hour Fight Community Support Weekend. Running from this Friday, September 18 to Sunday, September 20, the event will include a registration stall run by 24 Hour volunteers outside Westworth, and face-painting for a small donation. Mail mascot Captain Campbell will also get in on the action to entertain the kids. Details: www.campbelltownmail.com.au or 24hrfight.org.au.
