Executive Notes

2016 Wrap up

What a great year it has been at our school topped off by a wonderful series of presentation assemblies to celebrate the achievements of our students. Whilst not every child received an award we would like to congratulate each and every child for their hard work this year as they are all deserving and we know that their school reports, which were sent home today, reflect this. Thank you to the community for your attendance at our presentation assemblies and also our Christmas Concert which was once again a huge success. Thank you also to the staff involved in organising these special events.

Tonight and tomorrow we will farewell our Year 6 students as they embark on their high school journey. We wish them all the very best for their future studies and congratulate them on their achievements during their time at IPS. There are a number of families who have been longstanding members of our school community and whose youngest child is graduating. To these families, we thank you for your contribution to our school over the years and wish you all the best. To families who are moving, we also wish you the best for your new school and future journey.

There is a number of staff who will be leaving us or taking leave from our school in 2017. We congratulate Miss Ravelli who has been appointed as Assistant Principal at Berkeley Vale Public School, Miss Thierjung is taking a working holiday in the United Kingdom, Miss Vongmany has been permanently appointed to Hinchinbrook Public School and Miss Minter is returning to the books to complete her Masters of Education in IT. Mrs Westcott has taken a relieving Assistant Principal role at Leumeah Public School for 2017 and Miss De Giorgio is taking a year's leave to pursue further study in the area of special education. We thank all of these staff members for their contribution to our school and wish them well for 2017 and beyond.

In 2017 we will welcome Ms Rebecca Dao to the role of Deputy Principal and I will return to my substantive Assistant Principal role. It has been a wonderful 2 years relieving in the Deputy's position and I have thoroughly enjoyed it.

We wish everyone a safe and relaxing holiday season and a very Merry Christmas. Best wishes for a prosperous New Year.

Mrs Sharon Galway
Relieving Deputy Principal

IMPORTANT: Returning to School in 2017

For families wishing to get organised for return to school during the holidays, a list of stationary requirements has been sent home for students entering Years 1-6 in 2017.

School Development Day: 27 January 2017 (students do not attend)

Students return to school: 30 January 2017 (Years 1-7)

Best Start Assessments for Kindergarten 2017: 30 January – 3 February (please contact the office if you have not received notification of your child's appointment time)

Kindergarten 2017 first official school day: 6 February 2017

Extending holidays: If your child will have a delayed return to school it is vitally important that we are notified as soon as possible, regardless of which grade they are in. This has an impact on our class numbers and school organisation. Please contact the office as soon as possible on (02) 96051423.

If you would like an audition application or require more information, please see the school's website or contact Mrs Webb.

Christmas Concert

Congratulations to students, staff and community on a fabulous Christmas concert! It was an amazing night and a great way to finish of the school year.

App Review

Fun App:

Do you ever get in fights with your siblings and don't know how to settle it, no? Only me? Ok. Well this game is perfect for this and is also fun to play on your own. Since the holidays are starting and most of us don't have anything to do this game will have you have you clinging onto it for hours. There are thousands of cars to acquire and also heaps of levels to complete. Earn money from completing levels and spin the slots machine to unlock helmets cars or maps. Harry and I have been playing this amazing game for over a term and we have enjoyed every minute of it. I rate this game 5/5.

Fun App:

Toca Hair Salon Christmas Gift Is an interesting game where you can style Santa's hair as well as a tree, you can make Santa look silly, cool, gothic, Christmasy to the max, like a football team mascot and whatever else you can think of! I'm eleven and although this app is made for three year plus, it's fun and can make you laugh. You can decorate Santa to make him look sillier or funnier or even prettier. This game can be enjoyed by anyone despite what Apple thinks, so for my last review this App is a 4.5/5.

Teen Power Inc.
The Secret Of Banyan Bay

The small coastal town of banyan looks like a postcard. Quiet, beautiful and peaceful just the place for a working holiday away from a place full of noise, traffic, and to many people and a lot of crimes. So Tom and the rest of the teen power gang think; but, in this little back water, nothing is what it seems. Frightening things are stirring beneath its calm surface and very soon Tom and his friends are out of their depth, and struggling to survive against a ruthless unknown enemy. An enemy who will stop at nothing to keep them from learning the secret of Banyan Bay. We rate this book a 5/5.

Book Review

Tom Gates- A tiny bit lucky

Dad wants to make a kite so his whole family can go outside and get a lot of fresh air. Even though Tom would prefer going outside if he had a dog to play with. But that won't happen because Delia is "allergic" to dogs. (More like the dogs are allergic to her)

And Tom, Derek and Norman are planning some SERIOUS band practice for the Rock weekly band battle. They have "loads" of time. So they aren't panicking. (Yet)

This book written by L.Pichon is a hilariously written and amazingly illustrated book. This book is recommended to those of who enjoy comic-style. I rate this book 4.9 out of 5.

Reviewer's Note

Thank you all for your support of the newsletter. This is my last book review. I hope all my reviews have inspired your interest in books. Best wishes to the students who take over my job next year.

ABC Tour Excursion

ABC Ultimo Journalism and Radio group Excursion

On Tuesday the 13th The Journalism Club and Radio Group went on an excursion to the ABC Ultimo. We left the school at about 8:30 to catch our train to Central so we could walk to the ABC Sydney Studio. The Adventure was very long yet extremely enjoyable, with ecstatic hearts beating, the students walked around the city trying to locate the mysterious ABC Studio. When we hopped off the train we were told to travel one way but then we quickly found out that the teachers led us the total incorrect route. When we arrived to the studio we were actually 15 minutes late, besides all of that, we all split up into a group of 10- 13 students and got a tour of three crucial rooms, the first room we went to was 702 am's Radio station where we were told about how they would use talk-back and how that "Talk-back" is where they would delay the radio show by ten seconds, that would be useful when people make mistakes like forget lines, swearing and many more. After that we were able to pair up with a student to shoot us doing a news report with the options of sports, news (BTN) and weather. The last area we went to was the filming area (so the sets) we didn't get to see the detailed areas as the sets were under maintenance, we all got to see where Good Game SP and Q&A are shot. After our tour we sadly had to leave the gigantic building, so we set on our journey back to school. Due to the heat the teachers bought all the students slurpees for our journey. When we got on the train we were told there was a power outage so then we had to stop at Revesby because that was the furthest we could go before the trains could take a break. When we got to the stop the temperature was increasing. We all made it back to school safely and a little bit hot! We all thank Mrs Thompson, Mrs Robinson and Miss Hilda for taking us to ABC Ultimo.

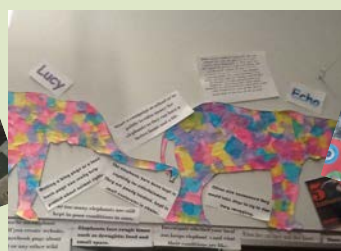

This my last ever post for IPS journalism I hope that my '140 Character Review' inspired you to read books and I hope 'My Recent Events' posts were informative for you thank you.

Sincerely Marcel.

Class Report

This fortnight we interviewed Miss Lowe. 5LK have been learning about endangered animals this term. She told us that the subject her students enjoyed the most was STEM. She also described her class as amazing and according to her, the best quality in her students was their flexibility. Thank you Miss Lowe for answering our questions about your brilliant class!

EALD Lessons with Ms McMahon

Since I started teaching English as an Additional Language or Dialect, EAL/D (the old term was English as a Second Language – ESL), I have met so many wonderful students who are taking on the challenge of learning English on top of their own language, which they can already speak.

Over Terms Two to Four I have taught in some classes in Kinder, Year 1, 2, 3, 4 and Year 5 and I am very impressed with the positive attitude my EAL/D students have to learning how to use English more effectively in talking, listening, reading and writing.

In KO and KS we enjoyed learning more English about describing things we do and see and studying about farming life. Here is a picture of students when they were describing an animal that they chose when we were reading the book “Hairy Bear” by J. Cowley. They really enjoyed the book and learnt some great describing words.

“When Ms McMahon comes in after lunch we read a book with her and I like that. When she comes in other times we do maths and it is helpful.” By Hayley

“i really liked this book.” By Ahnaf

“This year in English class with Ms McMahon I learnt spelling and I didn’t just learn, I had fun.” By A.S.

I look forward to our continued learning together and hope to create even more engaging learning experiences with our EAL/D learners at IPS.

Ms McMahon

Healthy Eating

Cheesymite Scrolls

Ingredients

- 30g butter
- 2 cups self-raising flour, sifted
- 3/4 cup milk
- 1 tablespoon Vegemite
- 3/4 cup reduced-fat tasty cheese
- Extra milk, to brush
- 1/4 cup grated cheese, to sprinkle

Step 1

Preheat oven to 220C/200C fan-forced.

Step 2

In a bowl, using your fingers rub butter into sifted self-raising flour until mixture resembles breadcrumbs. Make a well in centre. Add 3/4 cup milk. Stir with a butter knife until mixture forms a soft dough, adding extra milk if necessary. Turn onto a lightly floured surface and knead gently until smooth (don't over-knead).

Step 3

Roll out dough to form a 20cm x 30cm rectangle. Spread Vegemite over dough, leaving a 1cm strip along 1 long side. Sprinkle over 3/4 cup reduced-fat tasty cheese. Roll up firmly from long side. Trim ends. Cut into 8 x 2.5cm thick slices. Place 3 cm apart onto 2 baking paper-lined baking trays. Brush with extra milk. Sprinkle with 1/4 cup grated cheese. Bake for 20 minutes or until golden. Cool and store in an airtight container for up to 2 days.

Poetry

Year 6 farewell is so close!
And they shall perform we are in this together!
This shall be their last week together!
This is going to be so exciting!

By Enoch

End of school

Its nearly the end of this school
year,
Some people might hug and shed
a tear,
Moving day will be hard,
And some people might get a card,
The tunnel is going to be great,
While year 6's celebrate,
Going to their first High school,
I think will be exciting and cool.
