UPCOMING EVENTS

IPS ROCKS!

by Harrison, Daksh and Ryan

National Recognition for Mr Green

On Monday 30th of October Mr Green was recognised for being named in the 'Top 50 Leading Innovators and Educators in Australia'.

The educators who were named on this list provide wonderful examples of outstanding practice and inspiration to others. Mr Green "was very humbled, and I am very proud of Ingleburn Public School". He aims to continue to gain recognition for the school and to make all learning exciting and fun.

He hopes that every student at IPS becomes the best person they can possibly be.

Special Flag Raising Assembly

Last Monday, the 30th October, K-6 lined up expecting a normal flag raising assembly, but it wasn't. It turned out to be a very special assembly. The purpose of this special assembly was to celebrate and acknowledge Mr Green's fantastic achievement of being named in the top 50 of all Australian educators for innovation and educational leadership!

It was also a day where our IPS Rocks mascots, Iggy Innovation and Iggy Empowerment came to visit. The mascots were a product of a drawing competition which was held earlier in the year.

Miss Dao has promised that we will have more IPS rocks assemblies in the future because "IPS Rocks!!!!".

Lots of students were wondering who was in the mascot, Miss Dao has confirmed that "there was no one in the mascot, it was just the mascot!"

November

Monday 13th: Old Ways New Ways, Remembrance Day Service

Wednesday 15th: Stage 1 Excursion, Tiger Tag

Thursday 16th: Kindergarten 2018 Orientation

Monday 20th - Wednesday 22nd: Stage 3 Camp

Monday 11th: Stage 2 Celebration Day

Tuesday 12th: 3-6 Presentation Day

Wednesday 13th: K-2 Celebration of Learning

Thursday 14th: Year 6 Farewell

Friday 15th: Last Day for Students

Film by the Sea

by Saralise and Shanvi

On Friday the 20th of October, 21 students went to 'The Theatre' at Bankstown Sports Club for the launch of their films as part of the Film by the Sea festival.

This was a competition where schools competed against each other to find the most creative and original film.

We had two films, one about the love between an elderly couple in a nursing home. The other about the journey to dance sport. Both were marvellous.

We hoped we would win and at the very end it was announced that we won the 'Future Stars' workshop for our school, where one class will work with film professionals. They will learn about film making and visual literacy. They will then submit films to be shown at a real theatre.

Myisha said "It was amazing. It was such a lovely film that I really wanted it to work".

The teachers reported that it was an amazing experience to see all the students walking the red carpet.

FILMS

To view our films please go to our school website. They located on the homepage in the 'News' section.

Sculptures by the Sea

by Hunter

While 3-6 enjoyed their sports gala day, 15 artistic students were invited to a special experience of going to the Sculptures by the Sea in Bondi.

We travelled there by 2 trains and a bus ride followed by a long walk all the way around for the tour. It was very tiring walking all the way up the hill to get to where all the sculptures were.

It was a nice day by the ocean and it was very crowded. My favourite sculpture was the one of giant rusty horses.

Thank you Miss Rivera and Miss Ross for taking us on the excursion and to Mrs Gregory for organising it.

REMINDERS

Supervision Before School

Just a reminder there is no playground supervision before 8:30am. Students arriving before this time need to sit and wait on the steps in front of the canteen or enroll with YMCA.

School Banking

School banking is now on **Fridays**. Please see the office if you would like to sign up.

STUDENT SPOTLIGHT

Amazing Abel

By Miriam

Abel from Year 5 has achieved a lot this year in sport.

He came first in 100m running race at Zone and was named the 'Fields area's 11 Year old Champion of 2017'. He was also part of the first relay team that made it to zone.

He tried his best in every event no matter how hard it was. He practises to get more speed while making sure he is always having fun. Abel also said that it was "important to always be helpful to others during sport" showing his great sportsmanship.

Sports

by Sarah-Laine and Hope

3-6 Gala Day

Last Friday the 3rd of November the T-Ball, Ultimate Frisbee, League Tag, Basketball, Cricket and Softball teams finally got to compete against other schools at a gala day. However it was just for fun as it was the only gala day that these sport have had all year.

We were at Milton Park playing T-Ball and it was fun and easy because it wasn't competitive, but it was very hot. Rashad was also with us and he said "Gala day was really fun. We won all the games and I was really happy to have my friends playing with me". Softball were nearby and Nataria reported that the girls won one game but lost the other.

"At Ultimate Frisbee it was fun. Some schools had less players so we didn't make it competitive." Shanvi from year 4.

At League Tag Saralise felt nervous but said she felt happy as the team won all their games.

At Seddon Park for cricket, Dishu said it was tiring but fun. He said they played two games. "The first game was easy" but he questions the umpiring of the second game.

Basketball gala day was fun and the boys won all their games. Tai explained that it was still a competitive day and he was happy with the results.

Great sportsmanship was displayed by all teams, representing Ingleburn Public School well. We look forward to PSSA sport in 2018.

**K-2 Concert**

On Wednesday afternoon, students of K-2 performed some of their favourite songs in the school hall in front of a full audience of parents.

Check out the video performances on Twitter @IngleburnPS (a link is provided at the bottom of the school website). Some of the songs included 'Blame it on the Boogie' by 1JLM, 'I just can't wait to be King' by 2LN and 2M.

Thanks Miss Cole and the committee for organising a great afternoon.

**Kindergarten 2018**

It has been great getting to know the future Kindergarten students at our orientation days. If you have yet to enroll your child for next year please see the front office. We look forward to our next orientation session.
