

INGLEBURN
Public School

Looking for our Newsletter?

We are trialling moving away from our 'Smore' newsletters this term as we have a new website program and design which gives us greater ability to incorporate news, images, videos and event information in a central location. We also found the efforts we were going to with our previous format were not received by many of our families. Please visit <https://ingleburn-p.schools.nsw.gov.au/> or simply search 'Ingleburn Public School' a search engine. The latest news will appear on the homepage with past entries available under the 'News' tab. Upcoming events are listed on the website and we endeavour to get as much information as we can on to these events. We hope the website will keep you informed about learning at our school. Any feedback is welcomed and encouraged.

SkoolBag

For alerts and reminders about events, please download our SkoolBag app. Vital information about events are pushed out to phones and emails via this app which ensures that you know about any cancellations or changes to events. Dates for upcoming events can also be accessed through this app.
