ISSUE 1 2018

## SYDNEY KINGS AND HARLEM GLOBETROTTERS VISIT

Three of the National Basketball League's Sydney Kings players and two of the international superstars the Harlem Globetrotters treated all students at IPS to a great afternoon. The Ingleburn representative players put on a great show, proving to be great competitors against the much taller professionals.

As part of the NBL's promotion of grassroots basketball every student (and teacher) received a tshirt. We were privileged to have hosted such a great event. Thank you Miss Watkins for organising. We hope to see many more students working on their basketball skills and tricks in the playground.

## SWIMMING CARNIVAL

Ingleburn Public School's 2018 Swimming Carnival was another successful sporting day. House teams competed in challenging race events including freestyle, breast stroke, backstroke and butterfly. One of the highlights of the day was when students got to go to the splash park where the giant bucket awaits!

Everyone had a wonderful time and let's not forget to mention the teachers race. It was amazing watching the teachers getting into the spirit of our first carnival for the year. The day was a huge success. Well done to these students who have qualified for the

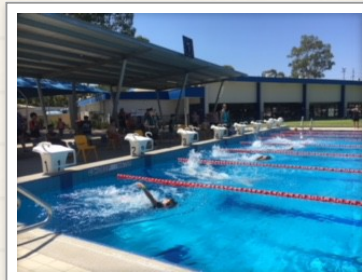

zone carnival which will be held on the March 3. We wish them the best of luck.

## WELCOME KINDERGARTEN

Kindergarten have had a great start to the year and have enjoyed making friends and learning new things. Our teachers are enjoying learning all about us through our Term One units "All About Me" and "My Community".

Our school values are important to us and we are learning how to be good friends and kind to others. We are hoping to have a successful KIND-ergarten Food Drive this term, where we can be kind and help people in our community. We are already learning how to be global citizens and are trying hard to be aware of how we can help people around us. Kindergarten are looking forward to an exciting term ahead.

Miss Perry, Kindergarten Team Leader

## APPLE STORE EXCURSION

This week, students from Year 5 attended the Apple Store in Miranda to develop their skills in technology, research and presentation of information. They were greeted by friendly Apple Teachers at the store and had a lot of fun researching and developing their own Theme Parks in Keynote. By far the most anticipated part of the entire day, was the trip to McDonalds for lunch - even the teachers got a sneaky burger! A great day had by all!

## WELCOME TO NEW STAFF AND WELCOME BACK

We would like to welcome new the staff to Ingleburn Public School.

Miss Leeks - Teaching Year 1 this year. She has been appointed to IPS as a permanent teacher, coming from Sarah Redfern PS. She loves Softball and has taken on the coaching role of our PSSA team.

Miss Mortensen - Has been appointed as a permanent teacher at our school. She recently graduated from the University of Wollongong and loves to bake.

Miss Mignacca - Is teaching PE and Art to some classes this year at Ingleburn. She has recently taught at Condell Park PS. She enjoys going to the beach, playing sport and trying new foods whilst travelling the world.

Miss Lawson and Miss Loke - Are familiar faces as casual teachers from last year. This year they share the combined 6JR.

Welcome Back to Mrs Slater (Miss Thompson) and Mrs Mullins - Both these teachers have spent the past year on maternity leave, spending time at home with their daughters. They are sharing 4SM together and are excited to be teaching again. They have said that they are enjoying seeing all the familiar faces they have previously taught and getting to know the new students.
