## EASTER HAT PARADE

Another fantastic Easter Hat Parade for K-2 students. It was great to see so many well decorated hats. Keep an eye out on the school website for a video by the Media Club coming soon. Well done to the students who completed the diorama competition, with many 'eggcelent' ideas for egg movies.

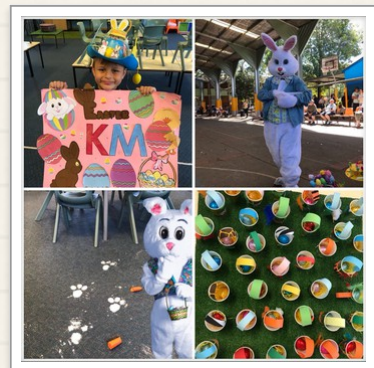

Thank you to all the parents and community members who entered the P&C raffle.

A SPECIAL GUEST WITH A SPECIAL DELIVERY...

## HARMONY DAY

On Wednesday the 21st of March, we celebrated Harmony Day. Students were dressed in orange or their traditional cultural clothing. All the classes also shared artwork in the hall which represented their culture, diversity and harmony. *By Isaac and Jesse 3JK*

## EARTH HOUR FUNDRAISER

As part of developing our students as Global Citizens, we acknowledged Earth Hour on Friday by turning off our lights and devices for an hour. We also wore blue to raise funds for the Earth Hour Solar Lights program that supports communities and schools in Papua New Guinea. Please always turn off lights and electrical devices if you don't need them. Save money and the Earth at the same time.

## JAPANESE CULTURAL EXCURSIONS

In Weeks 7 and 8 students in Years 3-6 were given the opportunity to attend a Japanese Cultural Excursion to Campbelltown Art Centre. 80 students in total were able to go. We had a traditional tea ceremony and made bowls and snowmen out of clay. We also looked at some videos and artworks. *Kirralee and Teoe, 3JK*

## PSSA GALA DAYS

We recently had our last Gala Day for the term.

Softball- Had an amazing day. The boys have won three games and the girls have won four. The teams behaved well and enjoyed themselves.

Ultimate Frisbee- Both teams were awesome and played well together. The senior team won all bar one game and the junior team remains undefeated after 2 gala days. Miss Scooco said "bring on term 4!"

League Tag- Our league tag team turned up focused and ready for a fun filled day. Our junior team once again won every game. The senior team drew two games, lost one and won one game. Miss Watkins cannot wait to see what they achieve in Term 4.

Basketball- The girls won three out of four games and the boys won all four. Miss Lowe reported that "All players played outstandingly and it was great to finally play in the stadium."

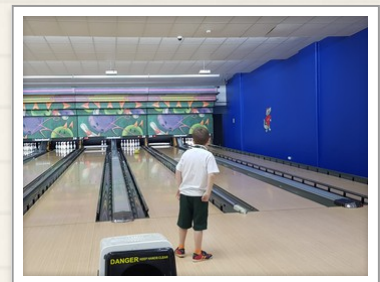

## BOWLING, CHEERLEADING AND WALKING GROUPS

Bowling- For bowling we went on a train to get to Campbelltown City Bowl. We played our game and powerwalked back to catch the train that would get us back to school in time for recess. Hamish was our champion for the week. He enjoys going bowling each week because he gets to play against his friends.

*Ephrium, 3JK*

On Friday's I have been doing Cheerleading with Miss Holman. We have been doing some gymnastics, handstands and cartwheels. On the Gala days we have also been doing origami and dancing to music. *Alexa, 3JK*

Every Friday Miss Issa has been taking a group of around 20 students for a walk in the surrounding neighbourhood. Each week we went somewhere different. For our last walk we went around the Splash Park at Macquarie Fields. Walking is great exercise and I enjoy walking to my partner while we walk. *Samantha, 3JK*

## LUNA PARK

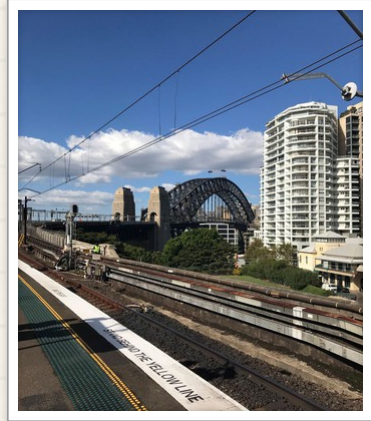

Stage 2 and 3 visited Luna Park over the last two weeks to learn about systems in built environments. Students were able to identify elements that work together as a system to serve and support built environments. They investigated how different systems are designed to meet the needs of people. For example, how transport systems provide access for people to get to different places; how systems provide electricity to rides; and how ticket systems create order in crowds. The students also enjoyed going on the rides and into Coney Island.

ENVIRONMENTS

## DEBATING WORKSHOP

A few weeks ago Ritisha, Jake, Wayswin, Chellecee, Angel, Mitchell and Emily went to Greenway Park Public School with Miss Scocco for a debating workshop. The students were taught how to debate, how to rebut and the roles of each member of the team. It was an excellent experience for each of our debaters.

We look forward to reporting on each of the debates as they start the Premier's Debating Challenge.

## UPCOMING EVENTS

Wednesday, March 28 School Photos

Golf Program

Thursday, March 29 Years 5/6 Cyber Safety Workshop
