Media Group

Keep an eye out for the latest group at IPS. The Media group is a mix of students from 3-6 Classes who have either volunteered or been nominated by their teachers. The group meets every second Friday to complete tasks or challenges that build their digital communication skills. Keep an eye out for their videos and photos on the websites, Twitter and here in the newsletter. Next term you may hear their voices in the playground running the school radio.

Next term Year 2 will also be forming a media group of their own.

Percussion Group Flashmob - 10/4/18

Winter Sports

Last Friday was the first trial for our winter PSSA sports. Another trial will be held this Friday. The sports are:

- Newcombe Ball coached by Miss Scocco
- Competition Soccer coached by Mrs Mullins
- Participation Soccer coached by Miss Loke
- AFL coached by Miss Lawson
- Rugby League coached by Miss Issa
- Netball A coached by Mrs Pont
- Netball B coached by Mrs Hadfield.

School sport will have a variety of options for those not in PSSA teams.

Crazy Hair Day for ANZAC Day Care Packages

Last week a Crazy Hair Day was held to raise money to create care packages for our ANZAC troops. Food items, socks, balls, journals, pens and other small items were included in the 30 boxes that were made.

This activity not only supports our troops, but it helped students become more aware of their global citizenship as well as helps us with our understandings ahead of ANZAC Day.

ANZAC Day is on Wednesday the 25th of April.

Apple Store

Tuesday the 27th of March saw the last of a series of excursions to the Apple Stores. The students in the last group demonstrated great behaviour and enjoyed their session with the Apple store educators. They created storyboards of a short movie, then filmed it on the iPads, edited it and then shared their creations.

The App 'Clips' is free in the App Store for those interested in downloading it. It is a great app for creating short videos that can easily have text, graphics and effects added to it.

Assembly

Last week 1GLM did a great job for their assembly item where they celebrated their multilingual classroom by singing songs in Spanish while dressed in all the colours of the rainbow. Below is a link for one of the songs they sang if you would like to learn it too. We look forward to seeing more assembly items from the classes next term.

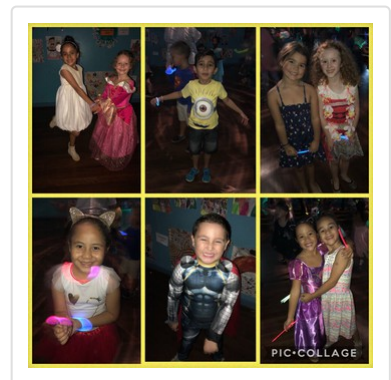

This Friday 4SM will be sharing an item for the Years 3-6 Assembly.

Disco

Recently a disco was held to help raise money for Year 6. A great time was had by many at the movie themed event. It was great to see so many students dressed in their party and movie themed clothes.

Holidays

The Autumn school holidays are upon us. We would like to wish all students and families a great break from the school routine and look forward to welcoming you back refreshed and ready for a great Term 2.
