

Ingleburn Informer

Issue 1 Term 2 2018

Welcome Back

Welcome back to another great term of learning. Teachers have been busy planning many exciting learning activities and programs. Please scroll down to see some of the coming events planned so far. Parliament is up and running so keep an eye out for new student led initiatives coming soon.

Please remember that this is a student led newsletter and that at times there may be delays due to extra curricular activities and other interruptions. We thank you for your patience and understanding.

Cross Country

On Thursday of May we had our annual cross country. It was exhausting! We had to walk all the way to Milton Park and then had to compete in the race. There was about half of the school there (ages 8+). It was a nice warm day out in the sun with all of our friends. At the end all four house teams (Oxley, Sturt, Bass and Flinders) had a cheering competition. Good luck to the top 6 from each age group that are going to Zone next week. Kyla and Ceylan

ANZAC Day

On the 25th of April ANZAC commemorations were held across all towns in Australia and in several locations around the world. As this day fell in the school holidays, Ingleburn Public School held their ANZAC day service on the Thursday of the first week back. Our captains did a fantastic job running the assembly. All students demonstrated great respect throughout the commemoration and during lessons in the classroom.

Riding the Red Rattler - 50 Years of Electification of our Trains

Angel and Wayswin had the great opportunity of riding the 'red rattler' from Glenfield to Cambelltown as part of the 50th anniversary of electrification to the railway systems in Macarthur.

Rocks

The aim is for every student at Ingleburn Public School to contribute to our new pebble path by decorating a pebble. Some students have decided to decorate the pebbles by writing their names- so that they may be remembered, others have put inspirational quotes or drawn an image that represents them.

Digital Safety - Online Bullying

Online bullying (cyberbullying) is bullying carried out through the internet. Many of our students have access to the internet at home and use it to communicate with their friends and family. It is important that children and parents are aware of how to be safe when using online devices. Teachers conduct lessons about online communication and safety regularly in the classroom and monitor use while at school. Please be reminded that students of a primary school age should not have personal accounts on Facebook, Instagram, Snapchat etc.

Some advice from 'The Line' - A government site supporting parents:

10 things you can do to protect your kids online

- ☐ Limit the time they spend online – set clear boundaries and stick to them
- ☐ Get protector software on your computers that blocks access to risky sites.
- ☐ Get involved with, and understand the technology your child is using
- ☐ Direct your kid to age-appropriate sites and find out about the sites they are visiting
- ☐ Allow internet use only in shared family areas at home
- ☐ Explain that they must not give out their phone number or address online at any time
- ☐ Encourage them to report behaviour that makes them feel uncomfortable or afraid.
- ☐ Without scaring them, explain that stranger danger also works online.
- ☐ Ask your child to let you know if someone your child has met online wants to get in contact or meet face to face.
- ☐ Make sure they understand what behaviour is acceptable online, both from them and others.

BYOD Apps

Many of our classes are BYOD classes where students bring their own iPad for learning at school. If your child is bringing their own iPad, it would be beneficial if they could have the following free apps:

- Google Sheets
- Google Slides
- Google Classroom
- Google Docs
- Seesaw: The learning journal
- Keynote
- Pages
- Prodigy Math Game

Upcoming Events

Week 3

Tuesday 15 - NAPLAN (Years 3 & 5), Stage 1 Science

Wednesday 16 - NAPLAN (Years 3 & 5)

Thursday 17 - NAPLAN (Years 3 & 5), Year 1 Excursion

Week 4

Tuesday 22 - Fire Station Visits

Week 5

Tuesday 29 - Fire Station Visits

Wednesday 30 - Pathe Workshop Pasifika Students (Year 5/6)

Thursday 31 - Rugby tournament at Minto

Friday 1 - GALA Day
