

Ingleburn Informer

Week 9 Term 2 2018

Link: <https://www.smore.com/p8mg2>

At IPS we are Game Changers!

All NSW public schools were sent an email inviting them to participate in the Game Changer Challenge. The task was to create a 60 second video outlining what our students believed Ingleburn Public School in the future may look like. Mrs Bellenger and Miss Scooco assembled a team of students who then put in a lot of extra hours and work into creating a video. While it only goes for 60 seconds, it required lots of brainstorming, storyboarding, filming, editing, special effects added and voice overs to be completed.

The Ingleburn Informer is please to share that the team was successful in their application and are now taking part in the exclusive Game Changer 3 day workshop during Education Week focused on design thinking.

Information about the Challenge:

Based on a 60-second video application, 16 teams from public schools across NSW – eight from primary and eight from secondary – will be selected to take part in a three-day, intensive design-thinking workshop in Sydney.

The workshop includes teacher training in the use of design thinking as a teaching methodology and its application for school planning.

It will also include a team competition where schools will work under the guidance of industry professionals in fields as diverse as technology, creative design and foreign affairs to design the school of the future.

The challenge winner will be selected after a Shark Tank-style pitch to industry and education experts, including Department of Education Secretary Mark Scott.

Other Successful Schools:

High schools

- Chatswood High School
- Lurnea High School
- Beverly Hills Girls High School
- Armidale High School
- Campbelltown Performing Arts High School
- Gloucester High School
- Carenne School
- Hurlstone Agriculture High School

Primary schools

- Lidcombe Public School

- Ingleburn Public School
- Oakhill Drive Public School
- Cherrybrook Public School
- Cudgegong Valley Public School
- Menindee Central School
- Alstonville Public School
- Thirroul Public School

Golf Day

Last Friday we had a golfing excursion to Campbelltown Golf Club. A school we have been practising putting, distance hits and chipping every Friday for sport this term. It was great to go to a real golf course.

Andres

Bush Tucker Garden

Last Wednesday we were fortunate to receive 3 garden beds to create a bush tucker garden from Bunnings. They also supplied us with 36 bags of Native and Organic Garden soil,

6 bush tucker plants and 6 bags of rocks for water filtering.

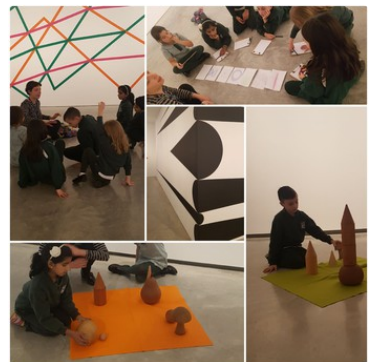

All the Aboriginal and Torres Strait Islander students along with a friend each were able to take part in the construction of the garden with the help of Miss Leeks, Miss Issa and Mrs Lamb and tow helpers from Bunnings.

Thank you to Bunnings for supporting this garden and we look forward to further development of this space.

Hunter 4/5P

Museum of Contemporary Art Club Excursion

Stage 3 Camp

The Canberra excursion was a cold one and on the first day we went to Parliament House which was intriguing. After that, we went to Old Parliament House where we learnt how to vote. And we finished the day by going to the motel. The next day we went to the snow we had snow ball fights and it was the best day. That night we had a party and on the last day we went to Questacon and I got a plasma ball.

Tom 4/5W

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in

meeting the cost of the excursion, the Australian Government contributed funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate was paid directly to the school upon completion of the excursion.

Sea Life Aquarium

Some students in kindergarten went to see sea creatures at the aquarium. They all seemed to of enjoyed it. Noah said that his favourite part was the bus because it was very cool. While they were there they took pictures of various sea animals. Holly's favourite part was seeing the stingray because it's her favourite animal. Mia liked all of the sea animals in general. Overall, it sounds like they had lots of fun there.

Thank You Mr Henn

Thank you to Mr Henn who painted the lines on the COLA concrete over the weekend. This will make playing basketball and netball so much easier. Thank you for all you do for our school.
Healey and Brooklyn
