

INGLEBURN INFORMER

TERM 3 ISSUE 1

WELCOME BACK

Welcome back to Term 3. The newsletter has now been moved to a Sunday night release time, because Media Group (Media-writes) have moved to Friday for lessons. We are thinking of starting a Robotics Club. You will hear more about this soon. Education Week is upon us. There have been a few choir performances already and debating is already begun for the Term. The athletics carnival is 4 weeks away and sure the have fun activities. And what ALL students have been waiting for... FUN DAY at the end of the term!

Natashia and Ella, 3JK

There will also be a combined performance with students from Fairfield West.</p>

SCHOOL HOLIDAY WORK

Have a look what some of the teachers and office staff did over the holidays. We have many committed staff members at our school who aim to make it a fun and exciting place to learn.

If you have ideas for playground paintings and games, draw them up and place in Mrs Bellenger's pigeon hole.

CHOIR

In the first week back, some of the students in the choir went to a Cross Network performance. It was a fun and tiring time where everyone did an amazing job. We practiced for at least 3 hours, then it was show time. We sang our greatest showman melody, freedom and for the final performance, shut up and dance. After that everyone was ecstatic, but our burst of excitement cam to a stop when one of the teachers told us we were doing it again. The worst part was the three hour break between practicing and performing, it was fun though.

Hunter, 4/5P

Last week various choir members went to the Congress Hall and rehearsed all day for the Opera House performance. We practised all day ready for the performance on the 30th of August. We had a fun day and tried our best.

Rhenaya, 5/6S

5/6S AND 4/5P ARTWORKS- THE GREAT WAVE

ROBOTICS CLUB

Come build and program sferos, Jimu robots and Lego robotics. IT will be held at 8.30 on a Thursday and Friday morning beginning Week 5 in the Fab Lab. Places will be limited to 20 as we want all those involved to have hands on construction and coding.

If interested a sign up sheet will be posted on the 'Ingleburn Informer' wall outside the Hub. Open to Stage 2 and 3.
